

KEMET

is

AFRICA

? WHY OUR CHILDREN NEED TO KNOW ?

Designed by: Ronald E. Cochran BA, CEO.

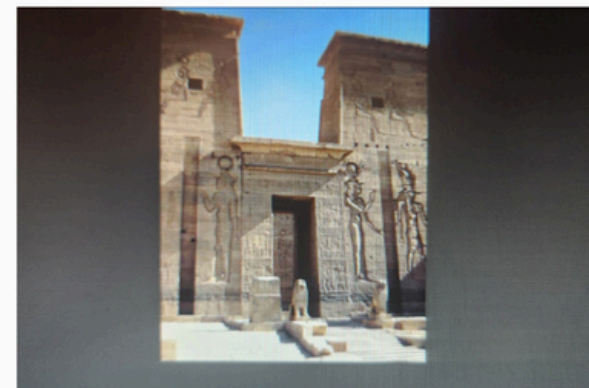

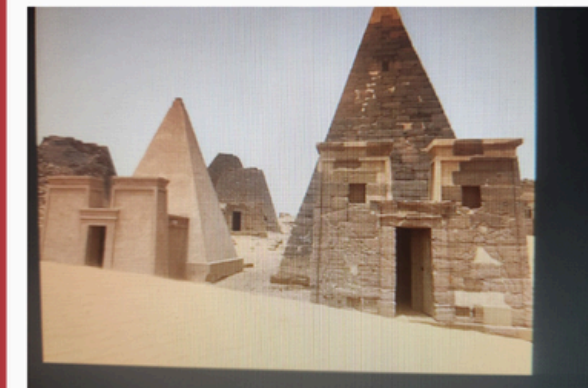

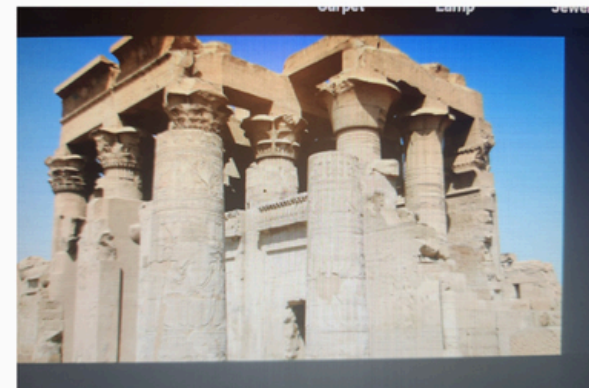

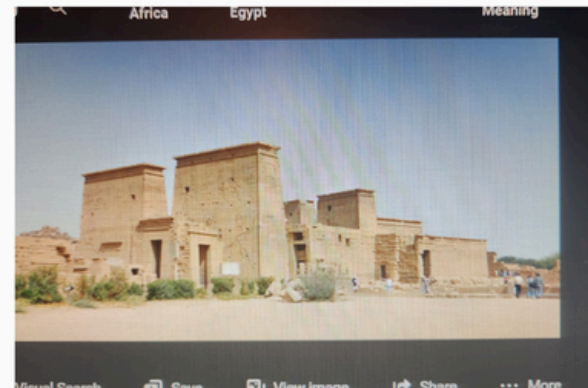

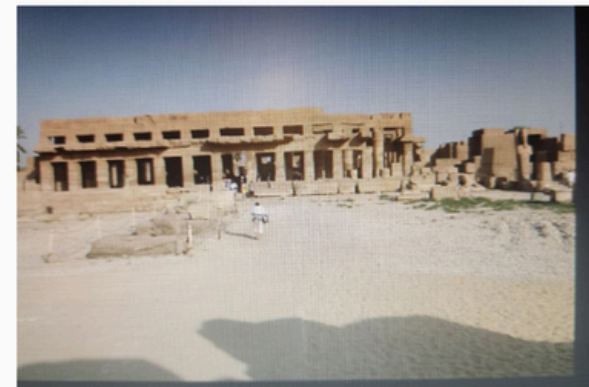

FIRST OF ALL KEMET IS WHAT EGYPT WAS CALLED LONG BEFORE THE WHITES AND ARABS CALLED IT EGYPT. OUR (PAST) HISTORY IS BY FAR THE MOST IMPORTANT (PAST) IN THE HUMAN EXISTENCE IT DOES NOT JUST INCLUDE THE FIRST CIVILIZATION IN AFRICA BUT THE FIRST PEOPLE TO CIVILIZE THE ENTIRE WORLD CIVILIZATION. WE MUST BRING AWARENESS IMMEDIATELY TO ALL OUR CHILDREN ABOUT THE TRUTH OF THIS PROFOUND PAST THAT IS OUR ANCESTORS (OUR TRUE PAST). NO LONGER CAN OUR EDUCATORS, LEADERS, PARENTS ETC. CONTINUE TO SAY THAT WAS SO LONG AGO IT DON'T MATTER NOW. WHILE WE'RE SAYING THIS AND OUR CHILDREN HAVE NO REAL IDENTITY EXCEPT SLAVERY, AND WE AS A PEOPLE MOVE ABOUT AS CLOSE TO A ANIMAL VERY BARBARIC. WE SHOULD ALL GRAB THIS POWERFUL PAST OF OURS AND WEAR IT WITH DIGNITY AND PRIDE FOR THE REST OF OUR LIVES. THIS SMALL PROWER POINT IS BASED ON HOW THE WORLD IS STUDING HARD, PRAISING AND WORSHIPING OUR HISTORY AND AT THIS TIME MOVING FORWARD FOR HUNDREDS OF YEARS TO REMOVE US OUT OF OUR TRUE HISTORY. AND PLACE THEMSELVES AS EGYPTAINS AND THE FOUNDERS OF HUMANITY IN EVERY WAY. WHEN IN REALITY WE ARE THE TRUE BLACK PEOPLE THE ORIGINAL MAN !!!

THIS POWER POINT IS DESIGNED TO SHOW JUST A LITTLE BIT OF THE GLORIOUS OUTSTANDING AND CREATIVE GREATNESS OF THE BLACK PEOPLE OF AFRICA'S PAST. SHOWING HOW THE ARAB AND WHITE MAN BOW DOWN AND WORSHIP EVERY PIECE OF OUR (PAST) HISTORY, AND WE TRULY NEED OUR CHILDREN TO RECALM THIS (PAST) HISTORY OF OURSELVES AND WORSHIP IT AS OUR TRUTH !!! PLEASE HAVE OUR YOUTH LOOK CLOSELY AND STUDY EACH ONE OF THESE PHOTOGRAPHS.

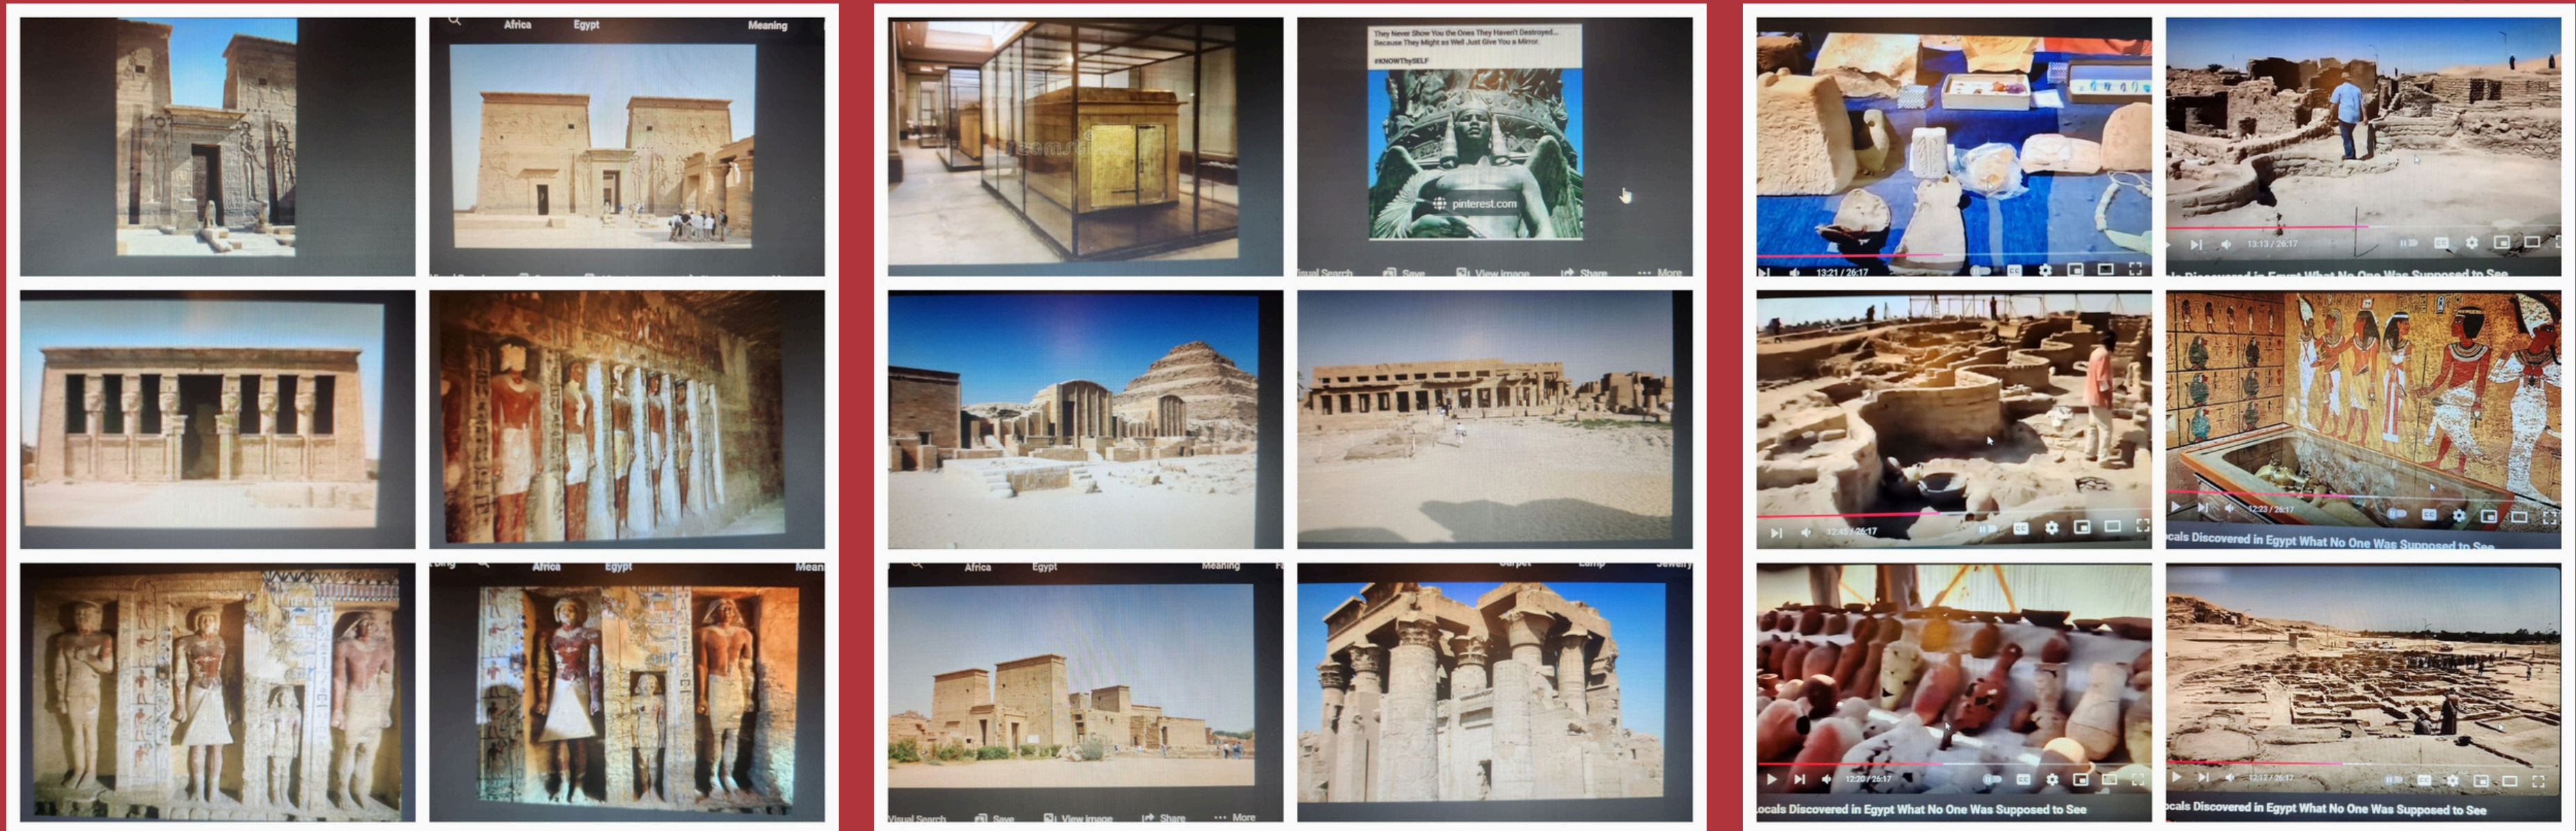

THIS IS JUST A FEW PICTURES OF KEMET (EGYPT). IT IS SAID THAT THERE ARE EVEN MORE CITIES IN AFRICA STILL UNDISCOVERED.

All of humanity put together has nothing close in comparison to our true history.

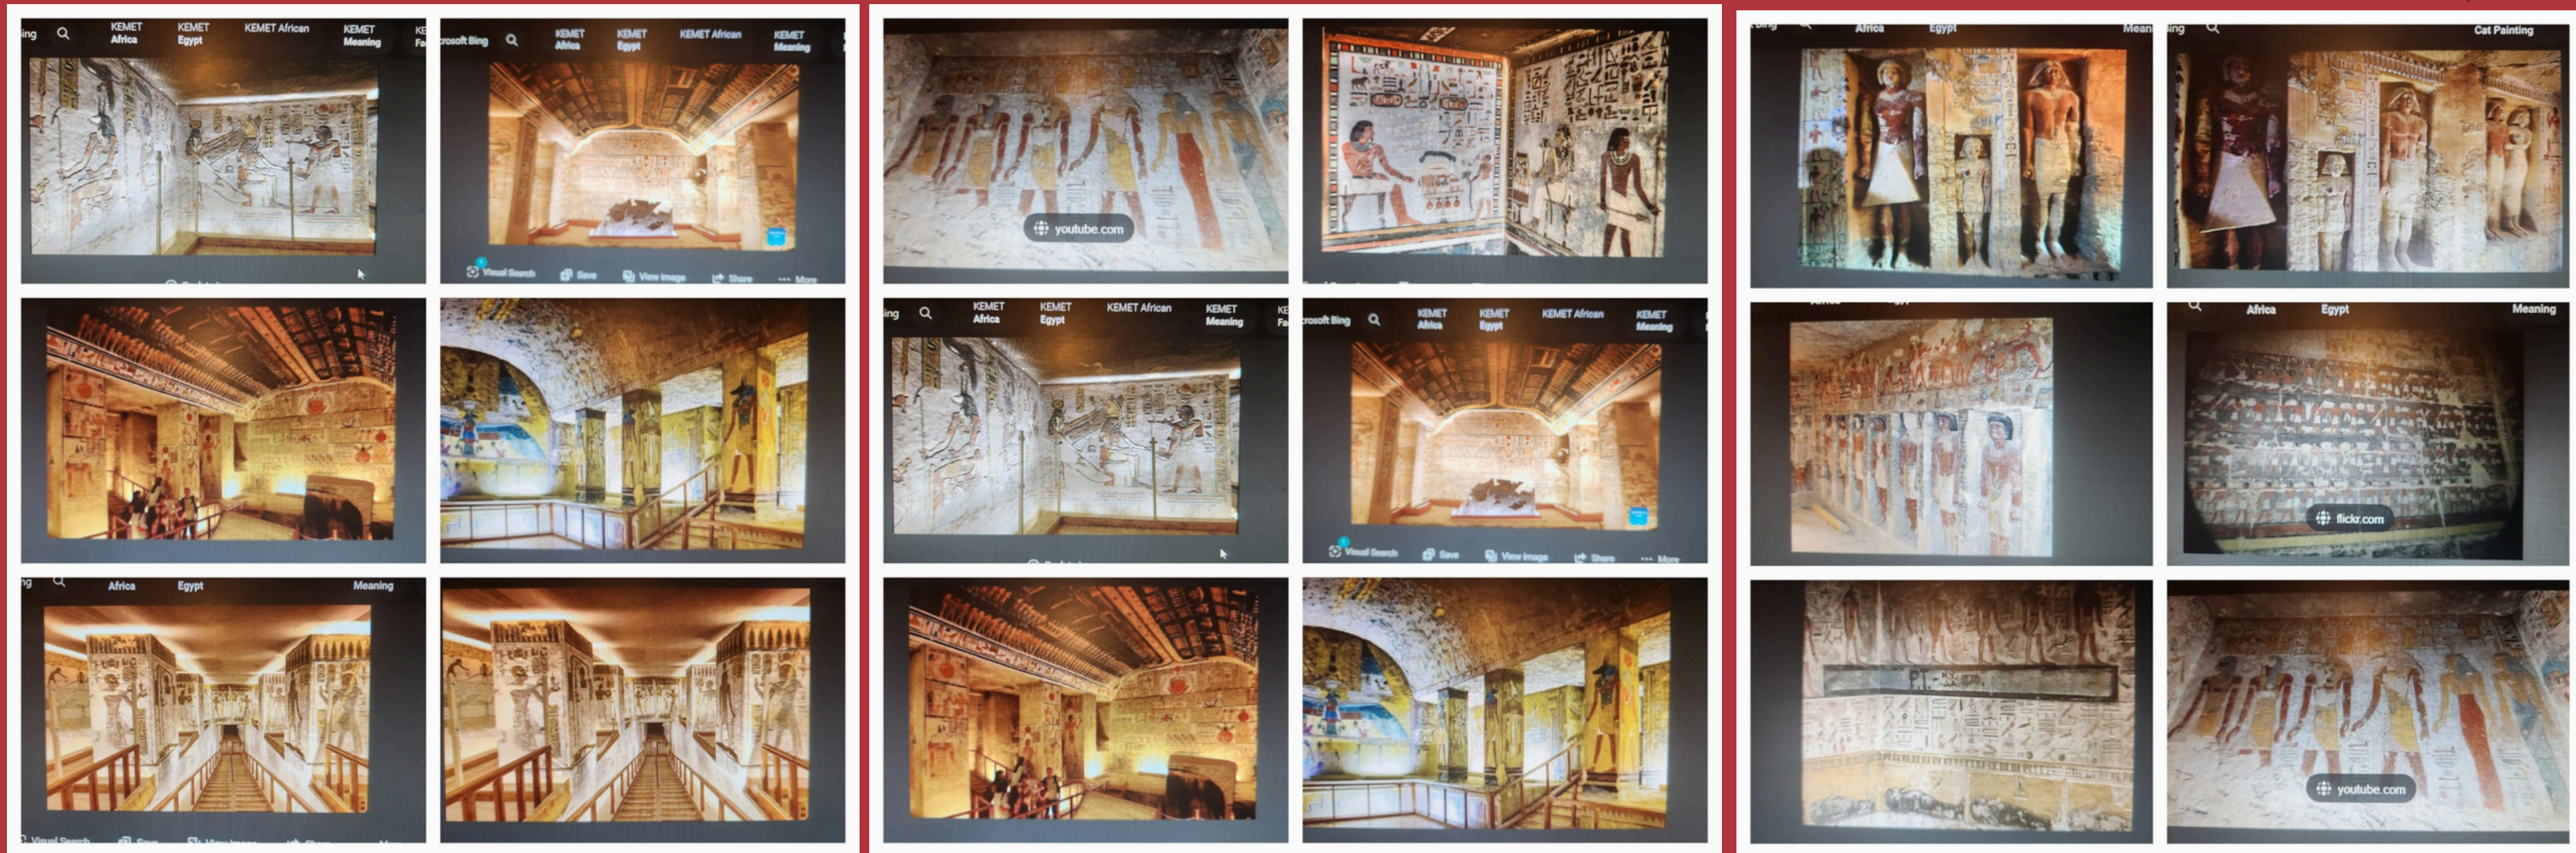

Please have our students study these important cultural cities and the black people of africa with dignity and pride. and let them study a whole new style of dignity and pride throughout this research create 3 page easy-to-use and aspire to be archeologists and historians .

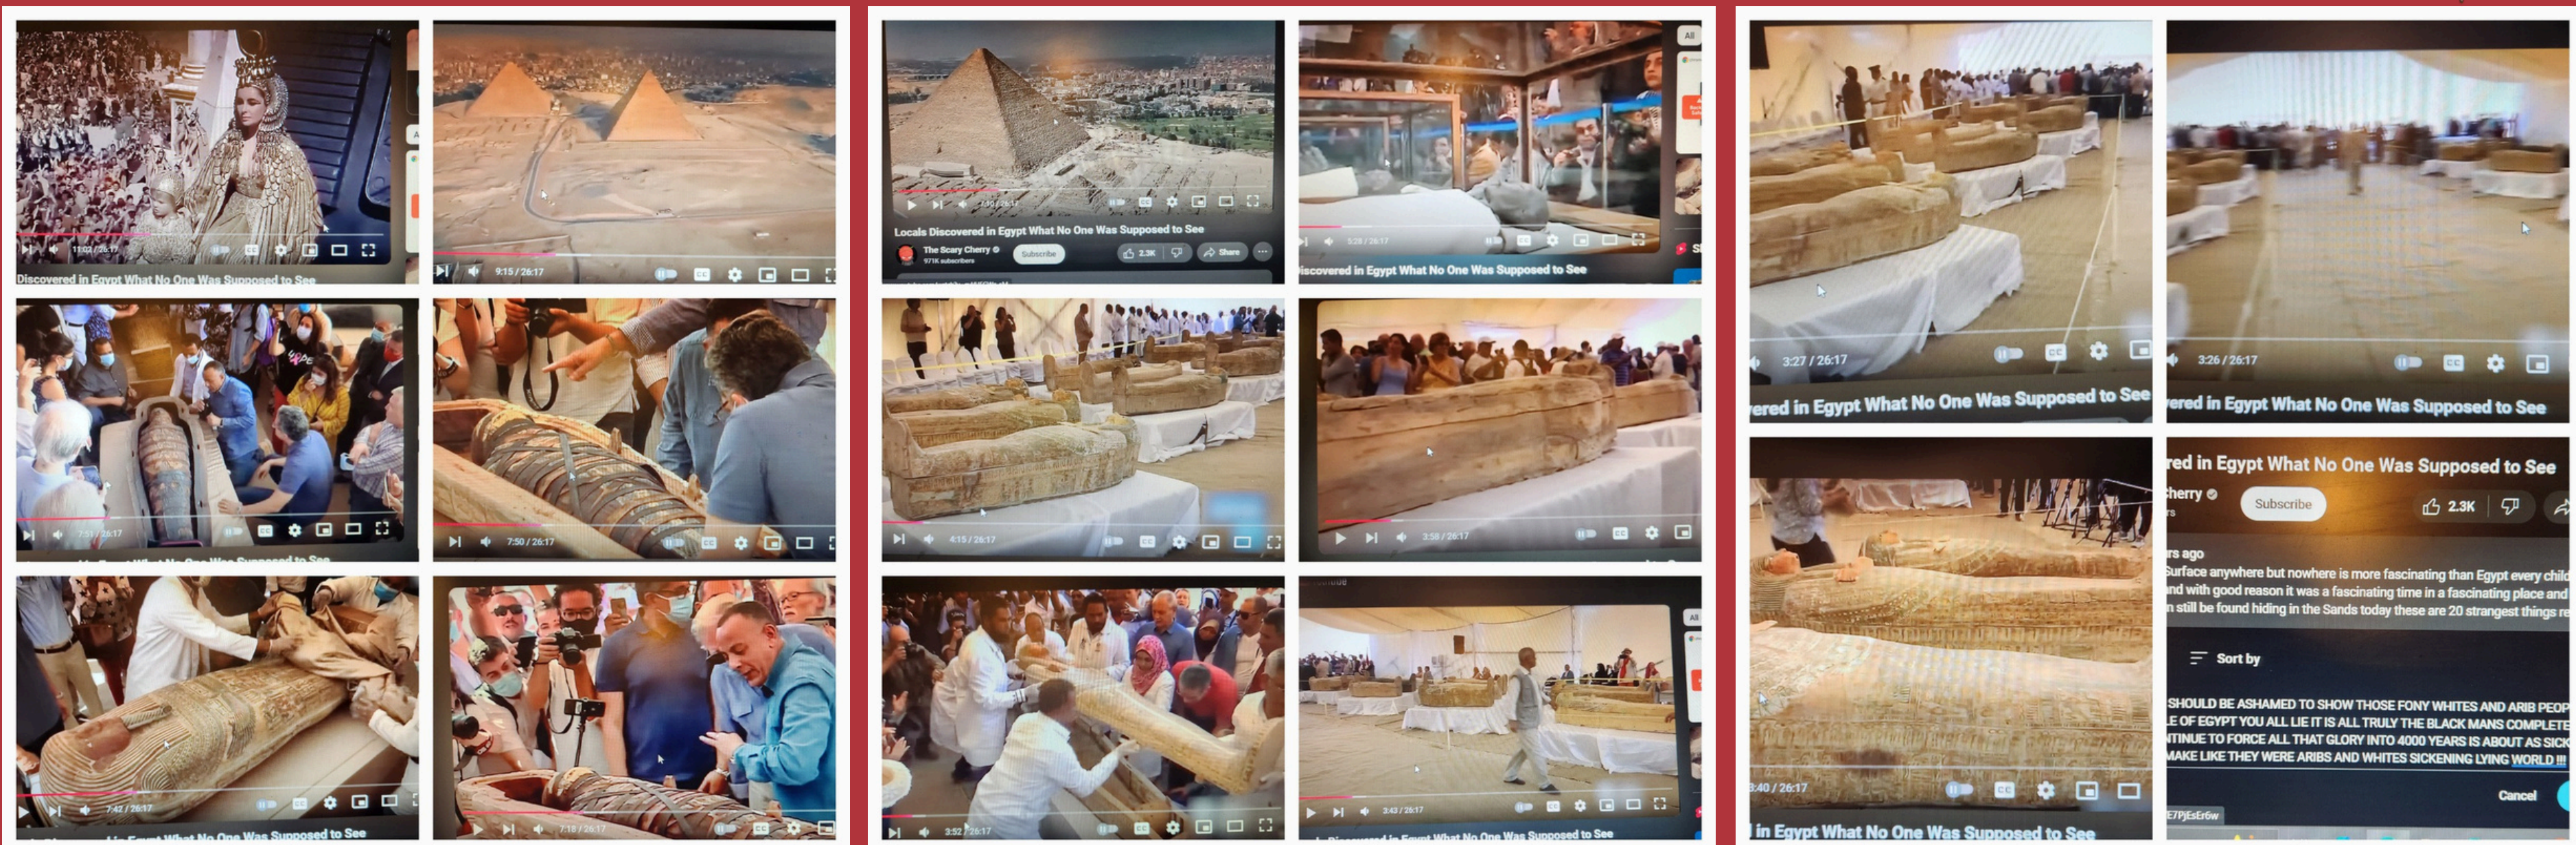

This is who our great, great, great.... grandparents works brought to humanity all with love. The world have gathered so much information many many pictures of this art, architecture, agriculture, mathmatices, algebra, trigonometry, history, music, spirituality, astronomy, astrology, medicine, science, time keeping etc. etc.

THAT WE CREATED !!!

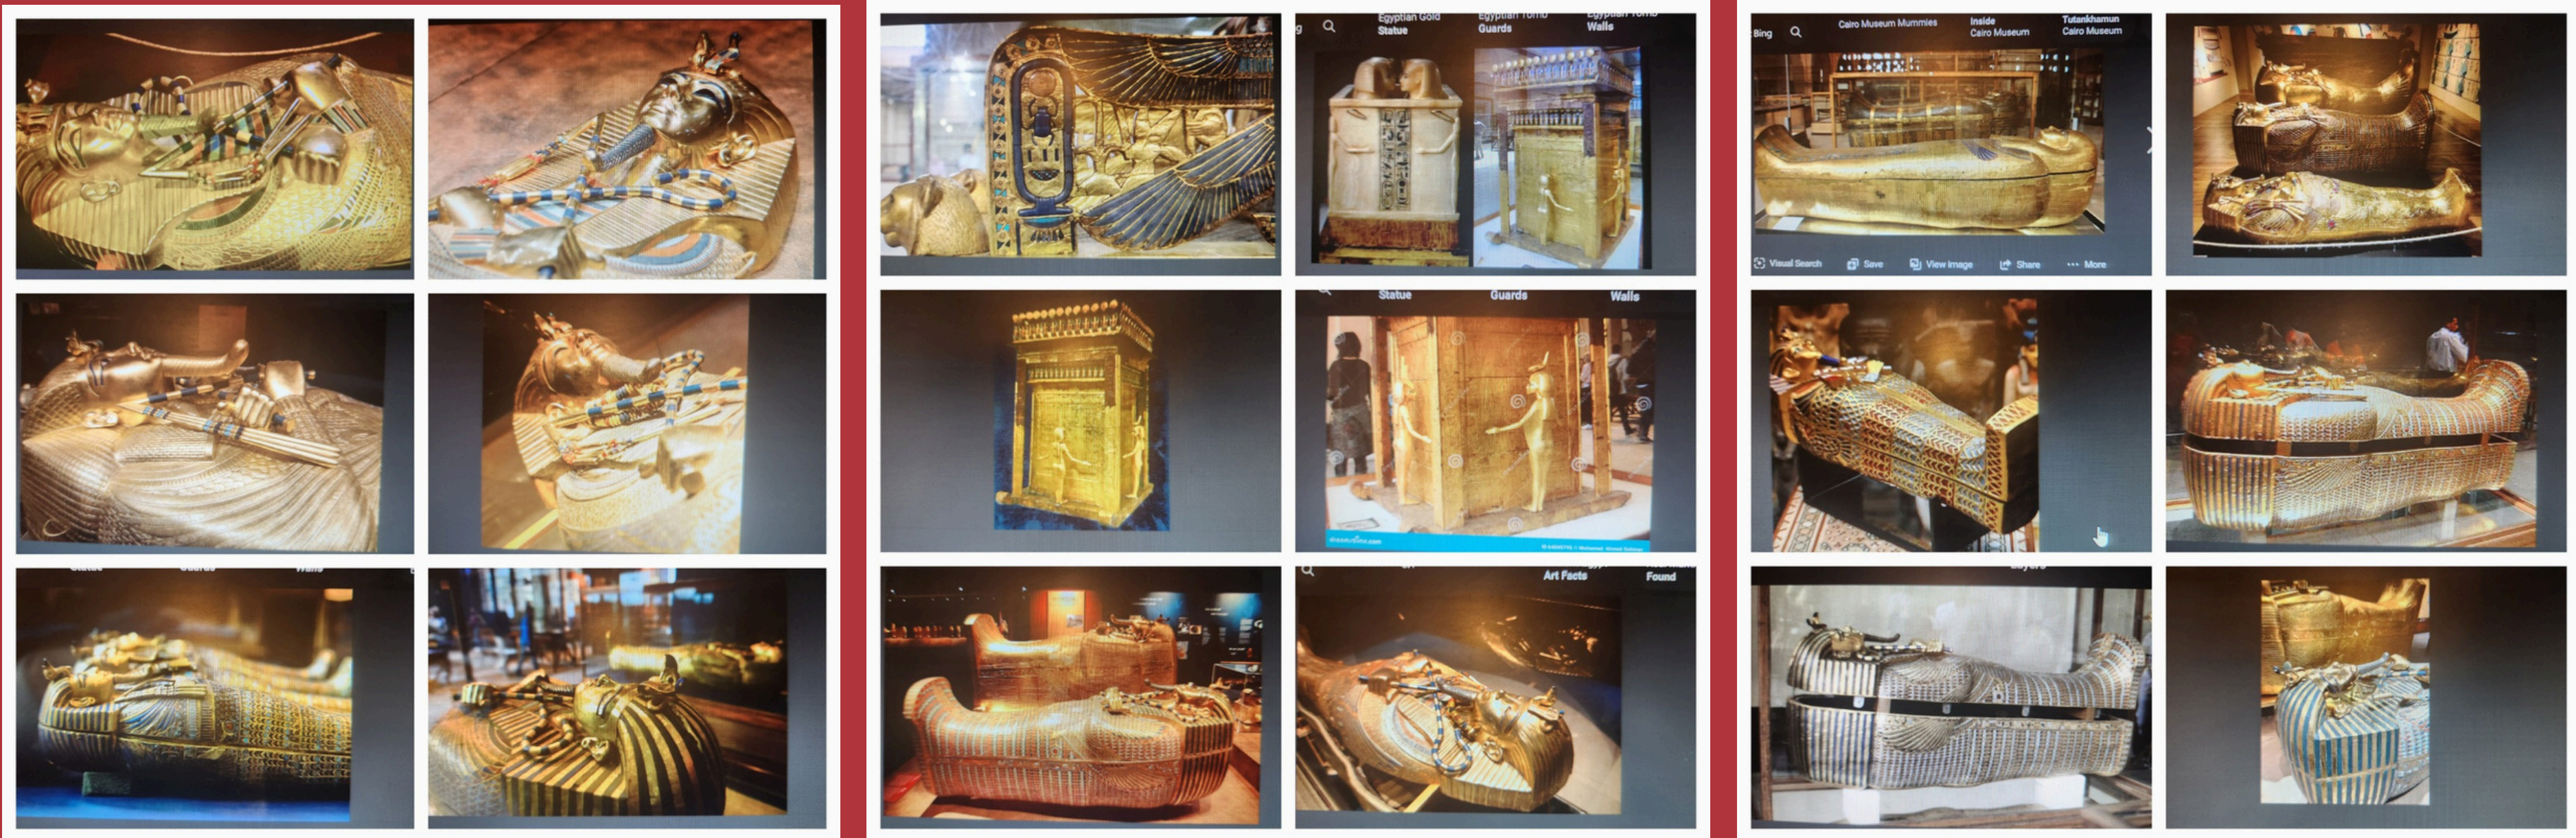

Why must we continue to keep this from our children ???

Take a very close look at how they study and worship all of our (PAST) history and it's a known fact that only a very small few of us are able to even study such glorious works of our human ancestors. PLEASE LOOK CLOSELY children feenegryel your family and great grandparents energy ⚡ PLEASE !!!

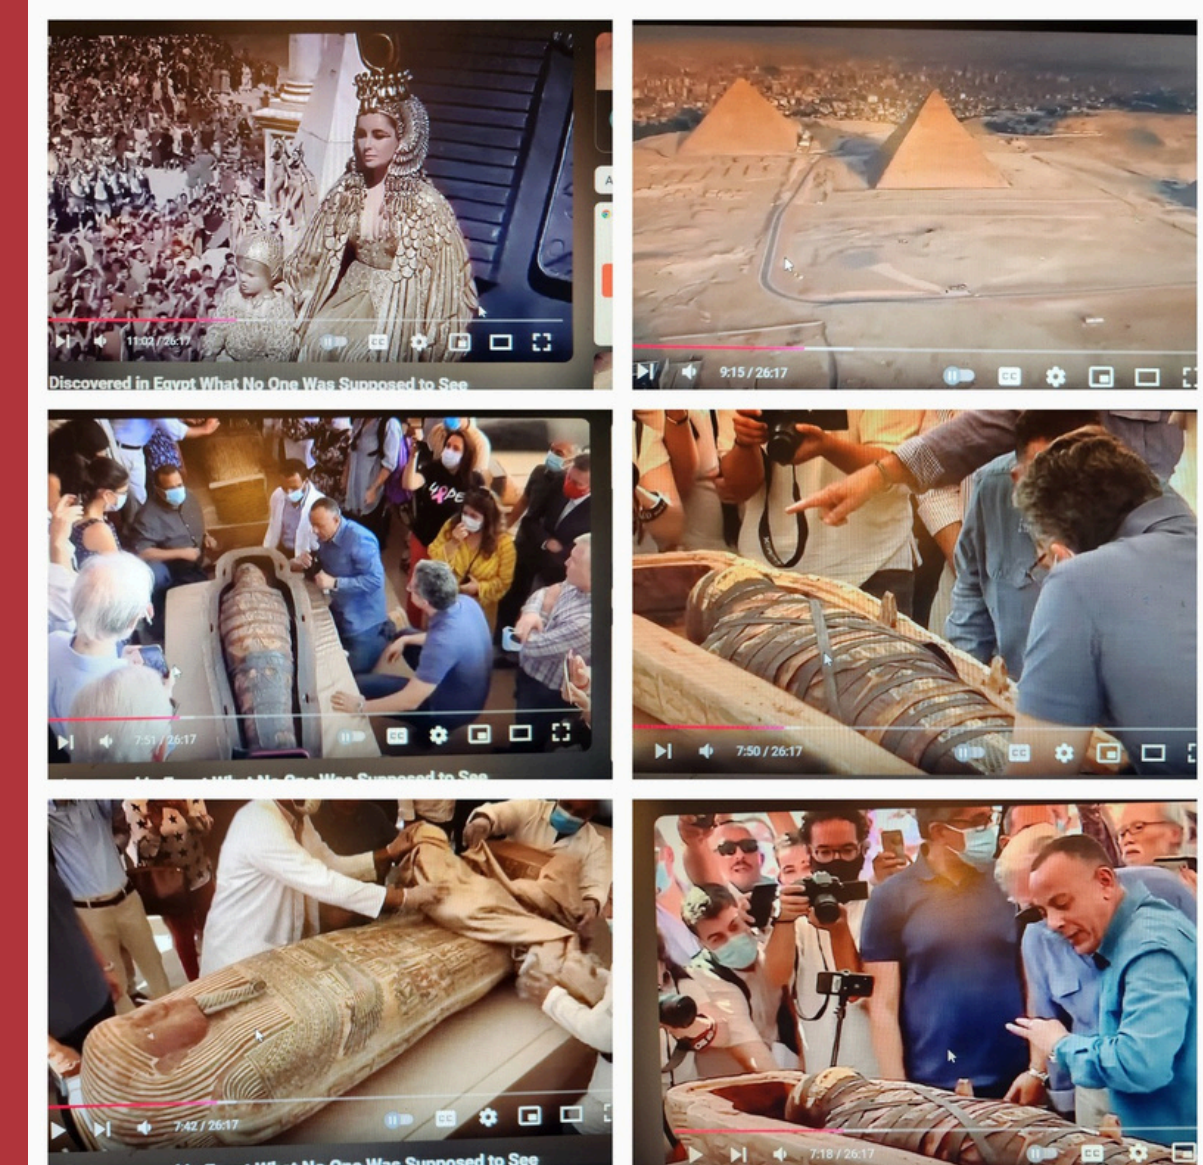

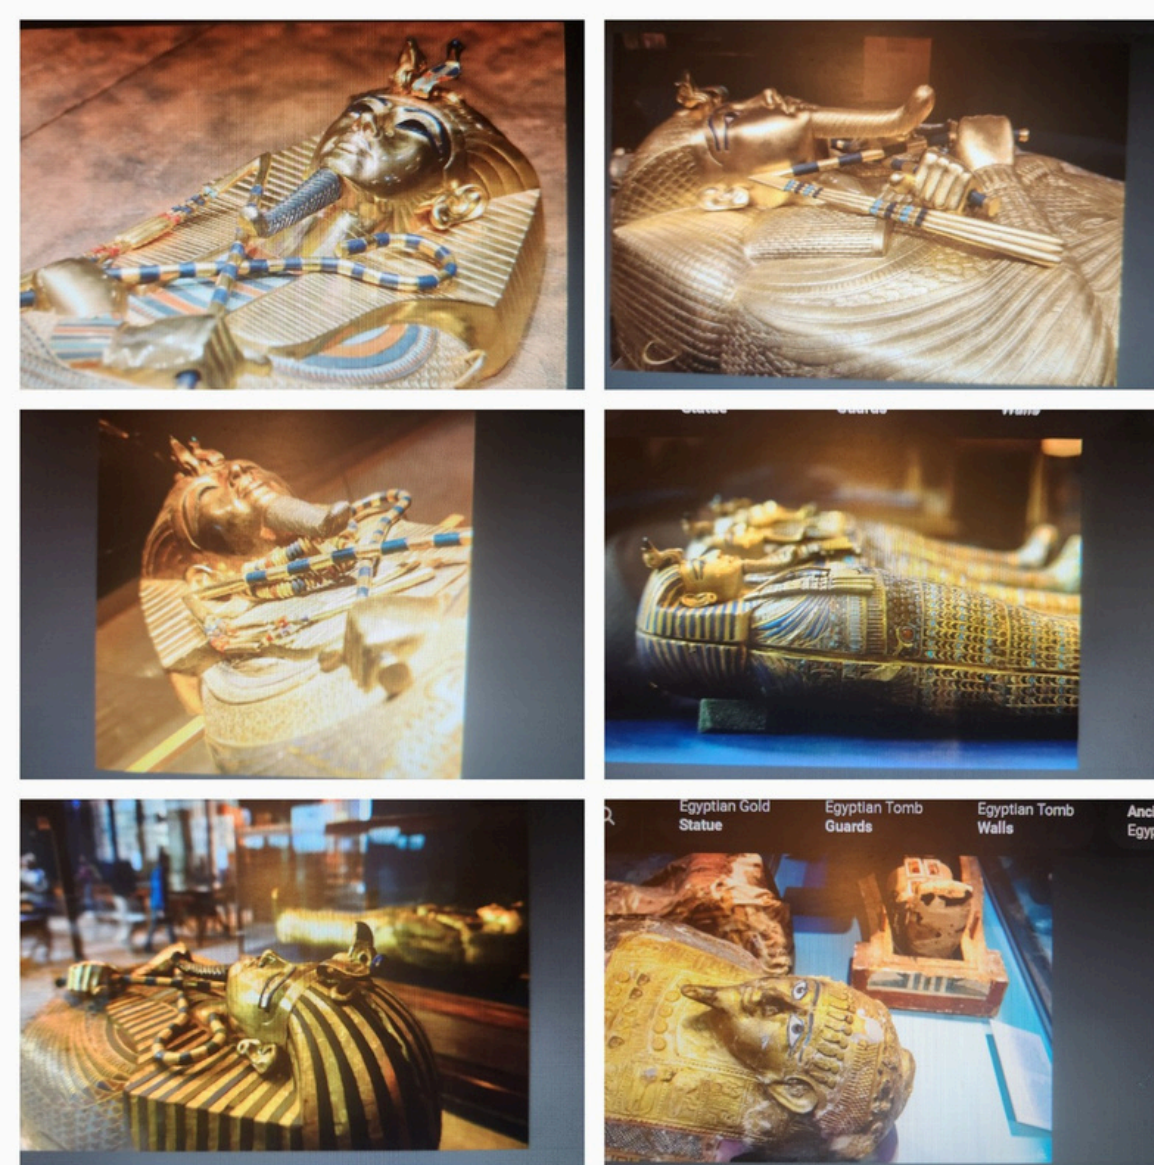

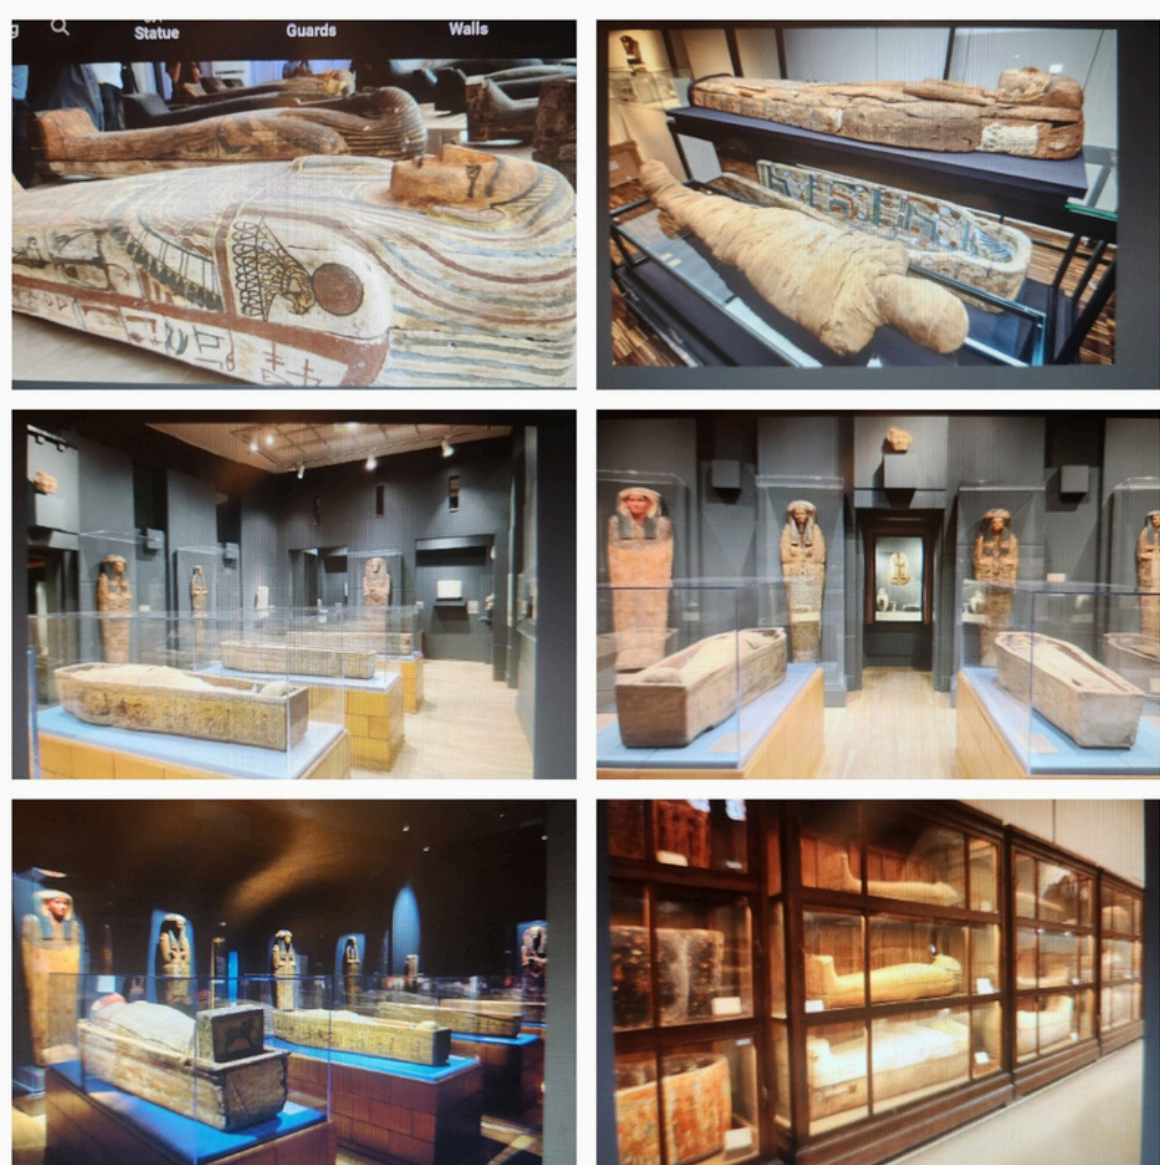

This is what they worship and all the hidden knowledge behind the creativity and detail of craftsmanship and a unknown treasure chest of knowledge and wisdom that it takes to build these beautiful pieces of art, is kept secret from you and me.

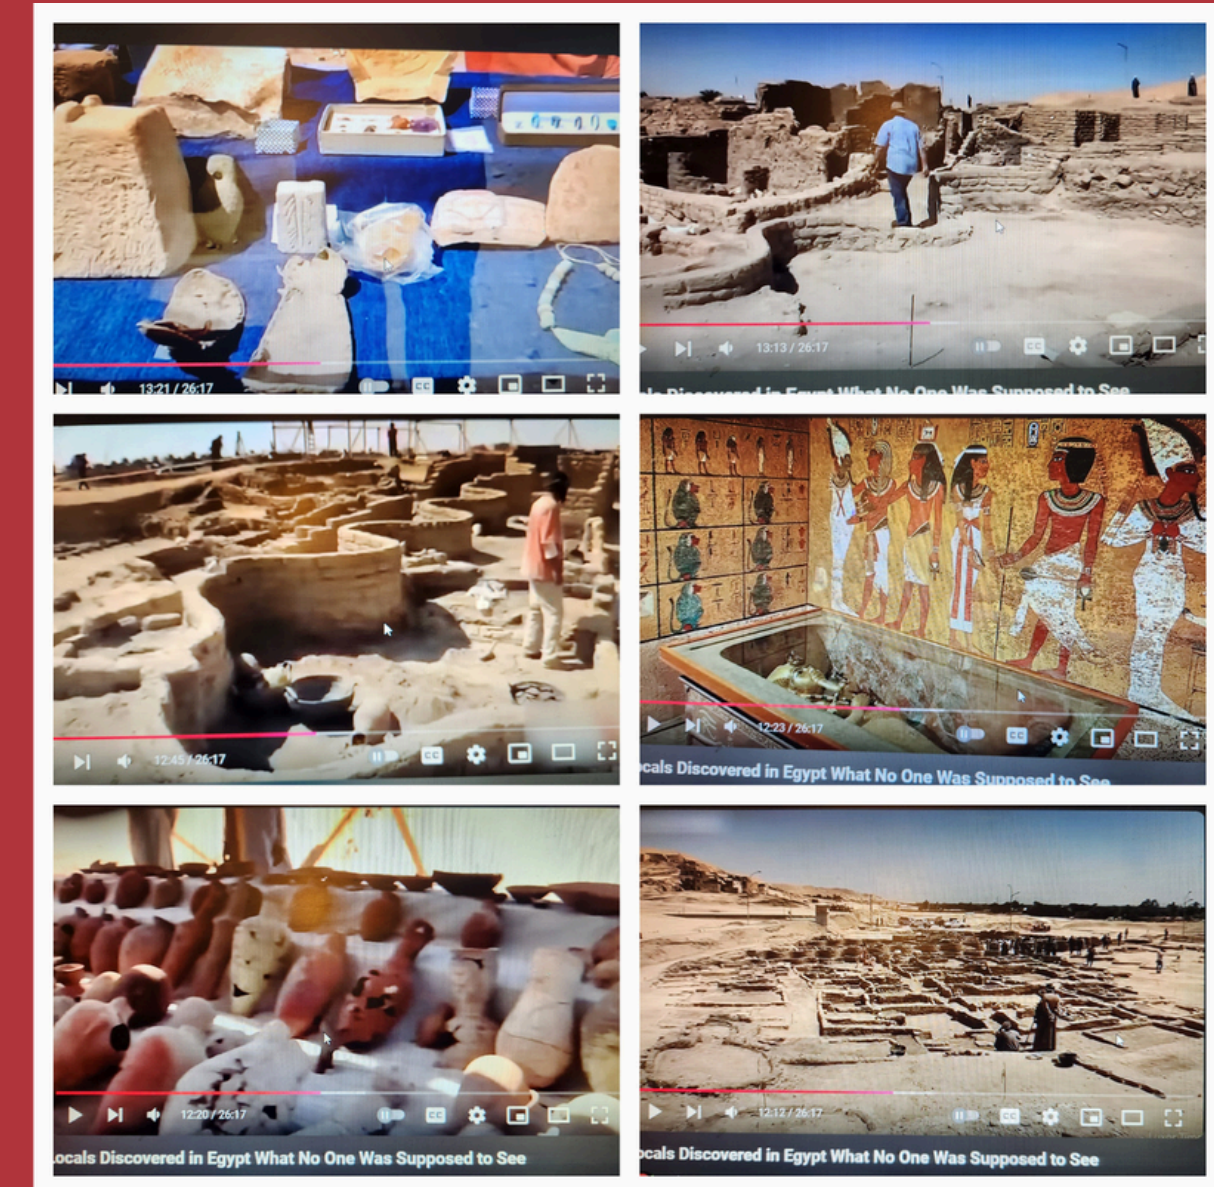

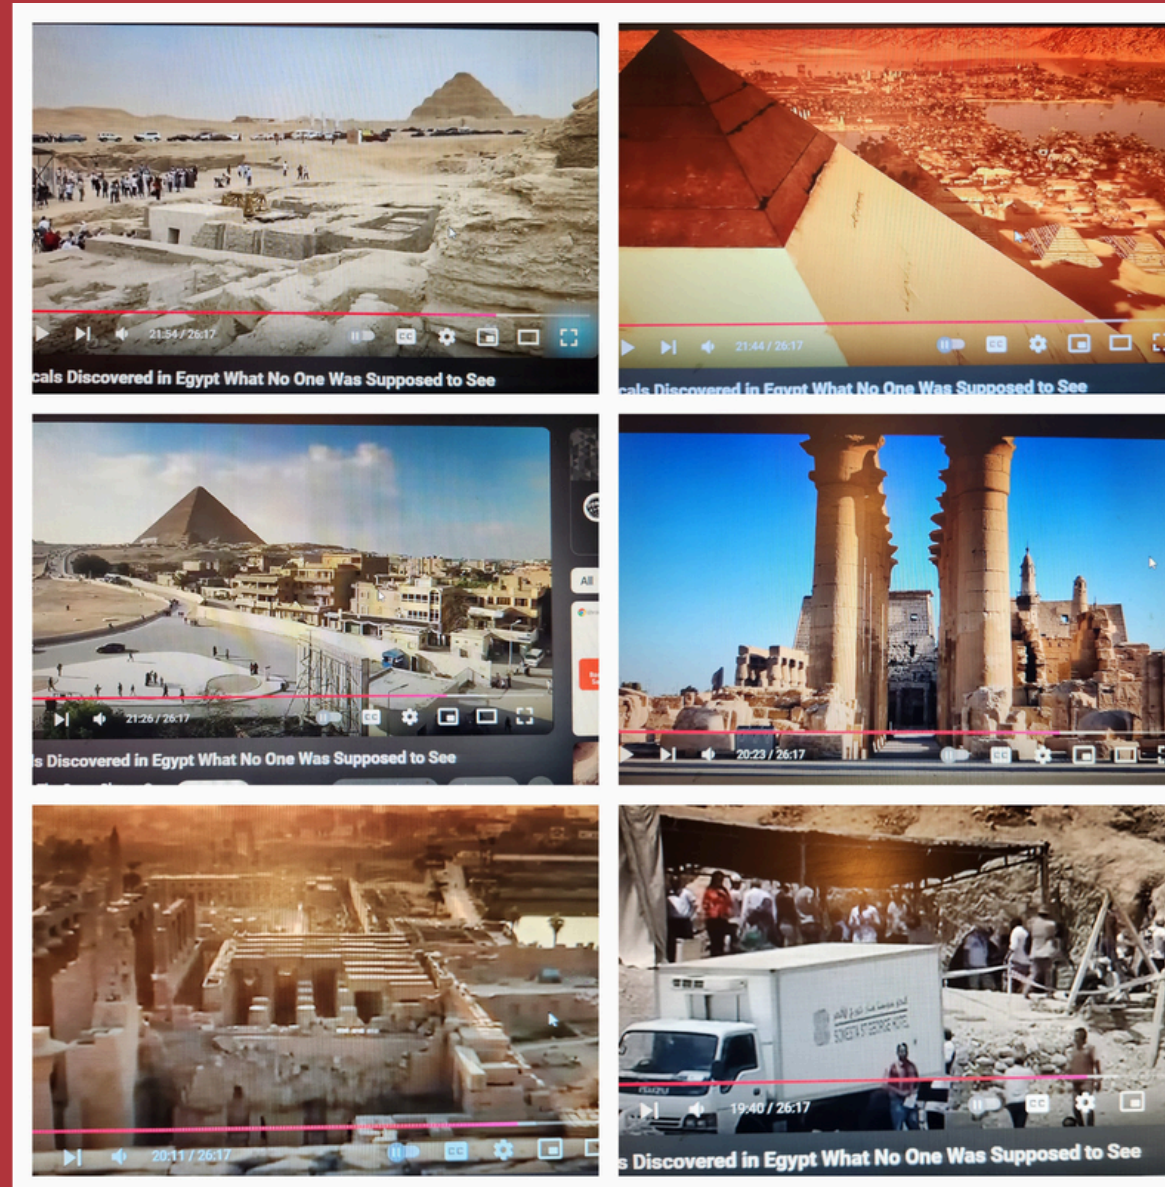

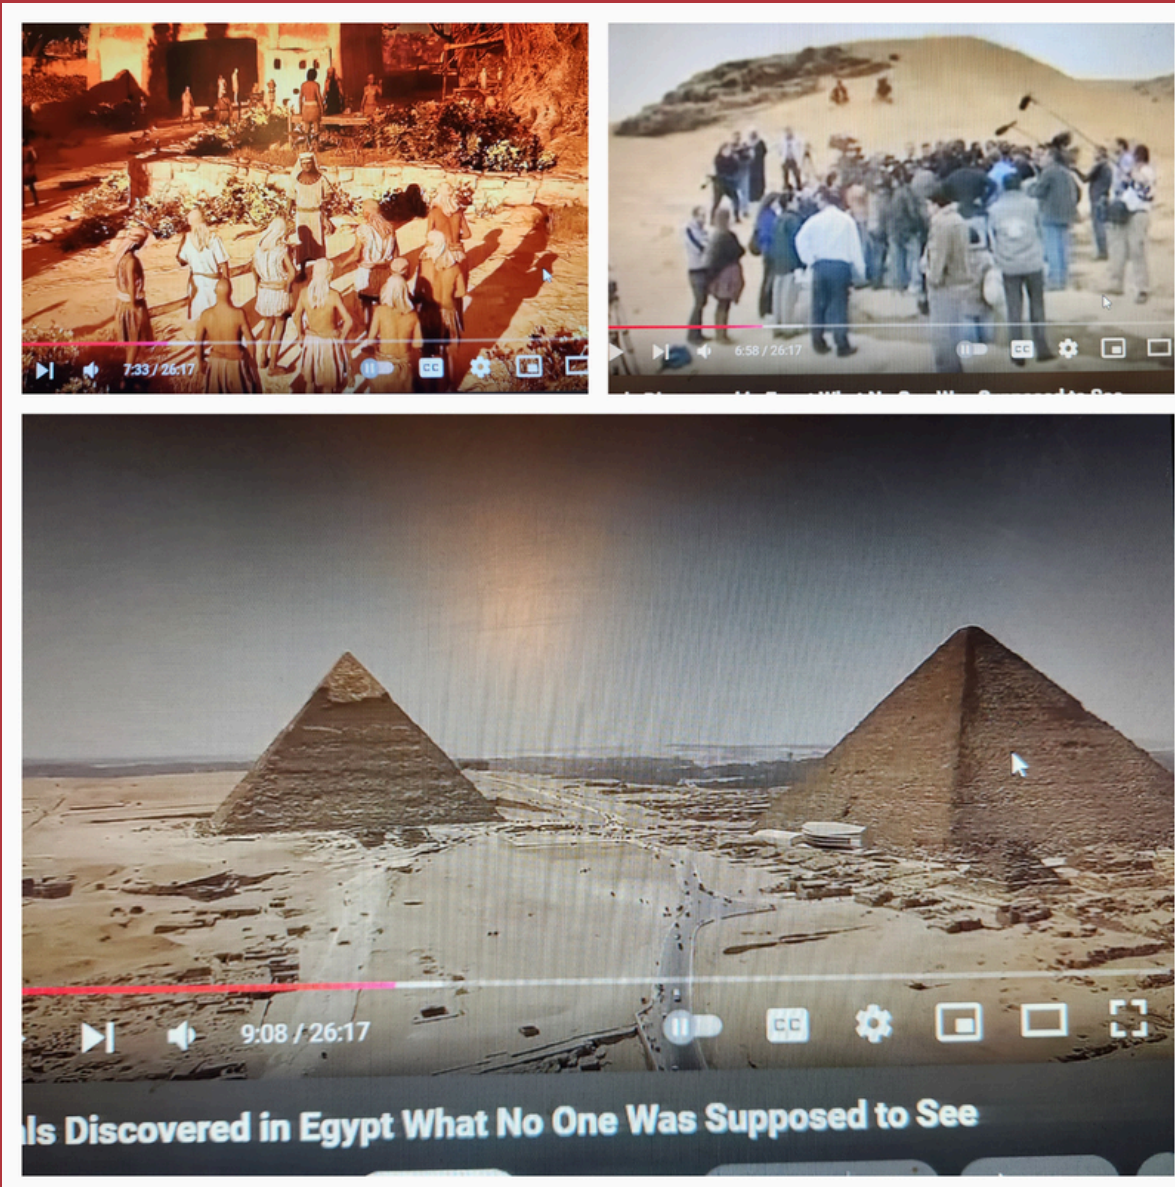

This is by far, leaps and bounds the most powerful work in all human history. I now understand after many years hearing this statement: The african Kemet Egyptian culture was the only culture in human history that when it was taken over by the arabs and white man. It remains the only civilization that when taken over they didn't come in with a new ruling system, as when countries take over is established, but instead they copyed Kemet's (Egypt) traditions and culture and tried to be Egyptians in all their ways, and continue to do so in everyway possible. To this day.

Our children need to know and design and create a better way for themselves that includes each and everyone of them.

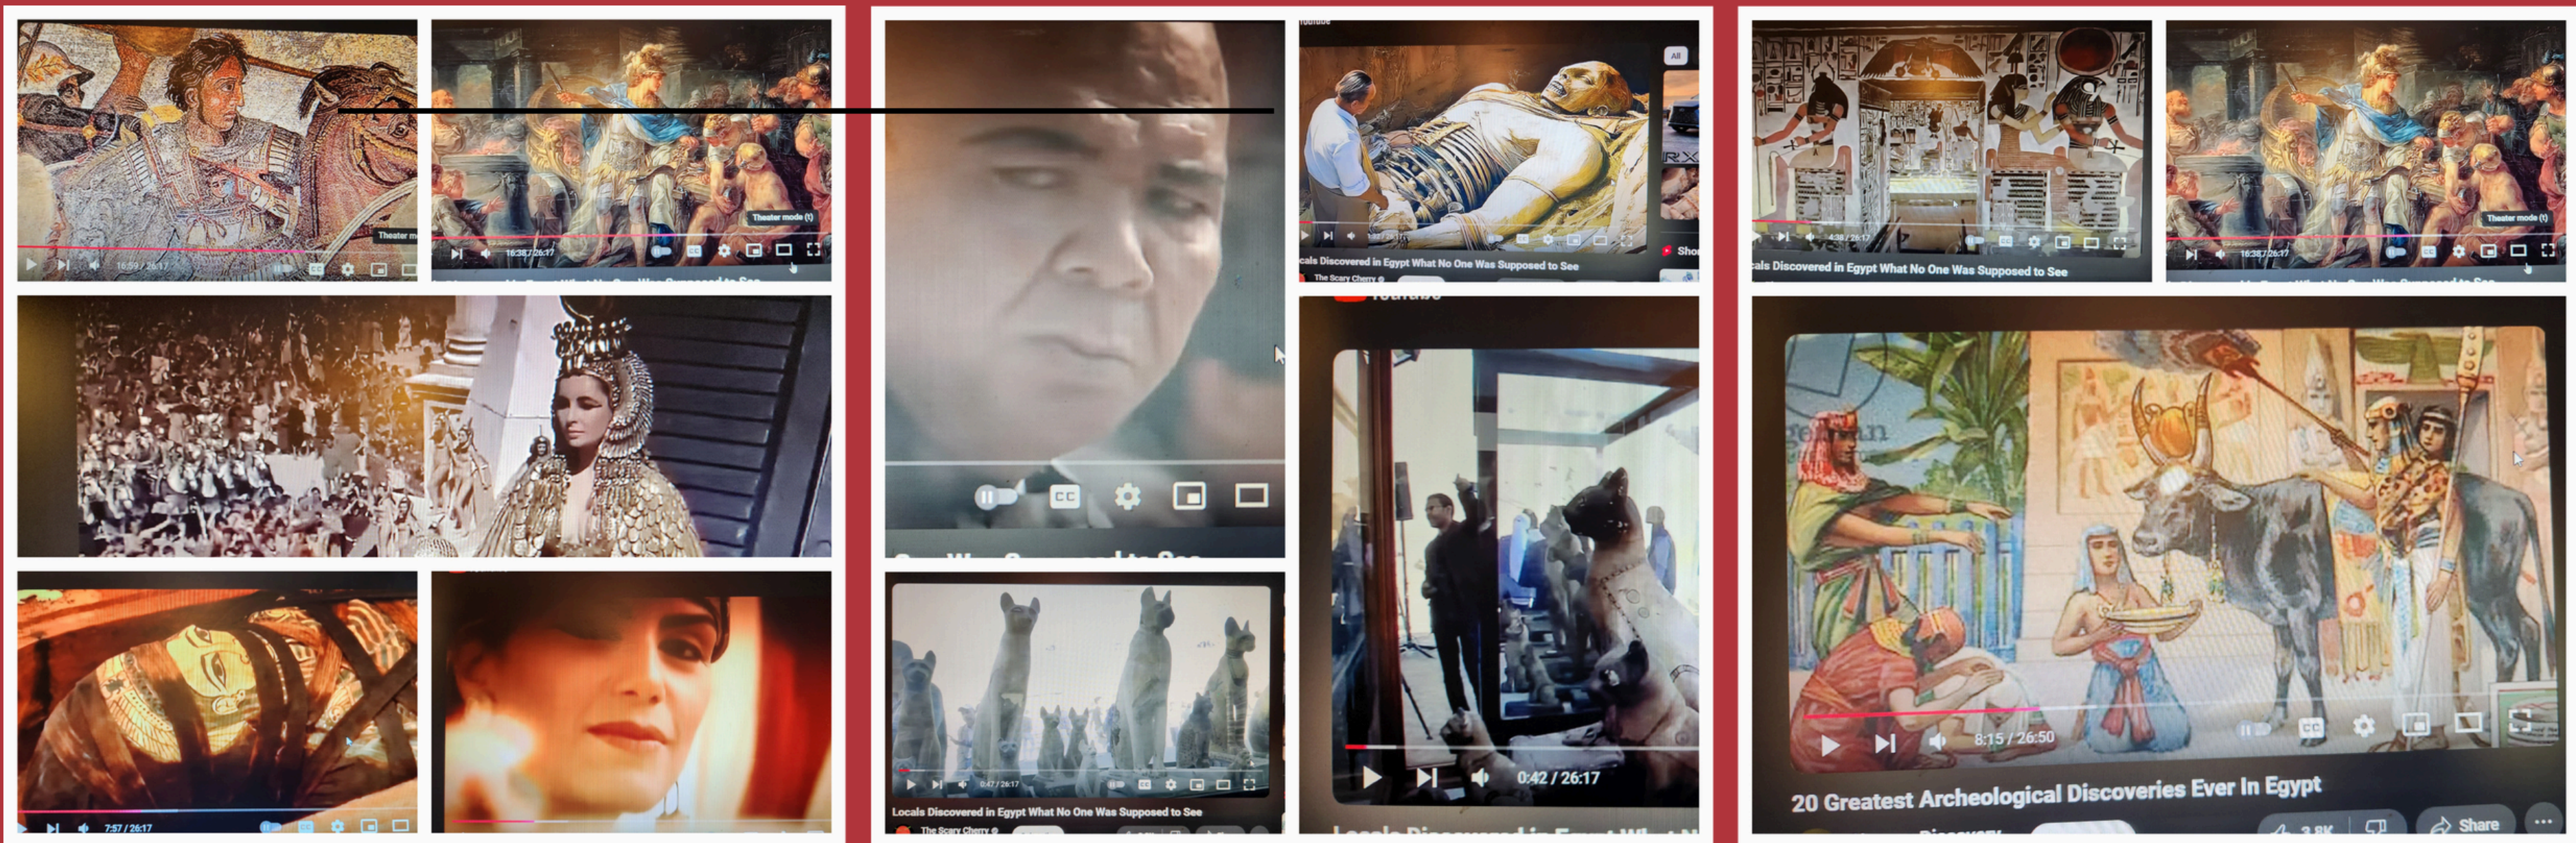

There are thousands of photos and information
on the internet. regarding our (PAST). Let us be bold enough to seek
and understand it and commit to a higher place of life and study for our
people, despite the world not wanting it !

“Profound society”

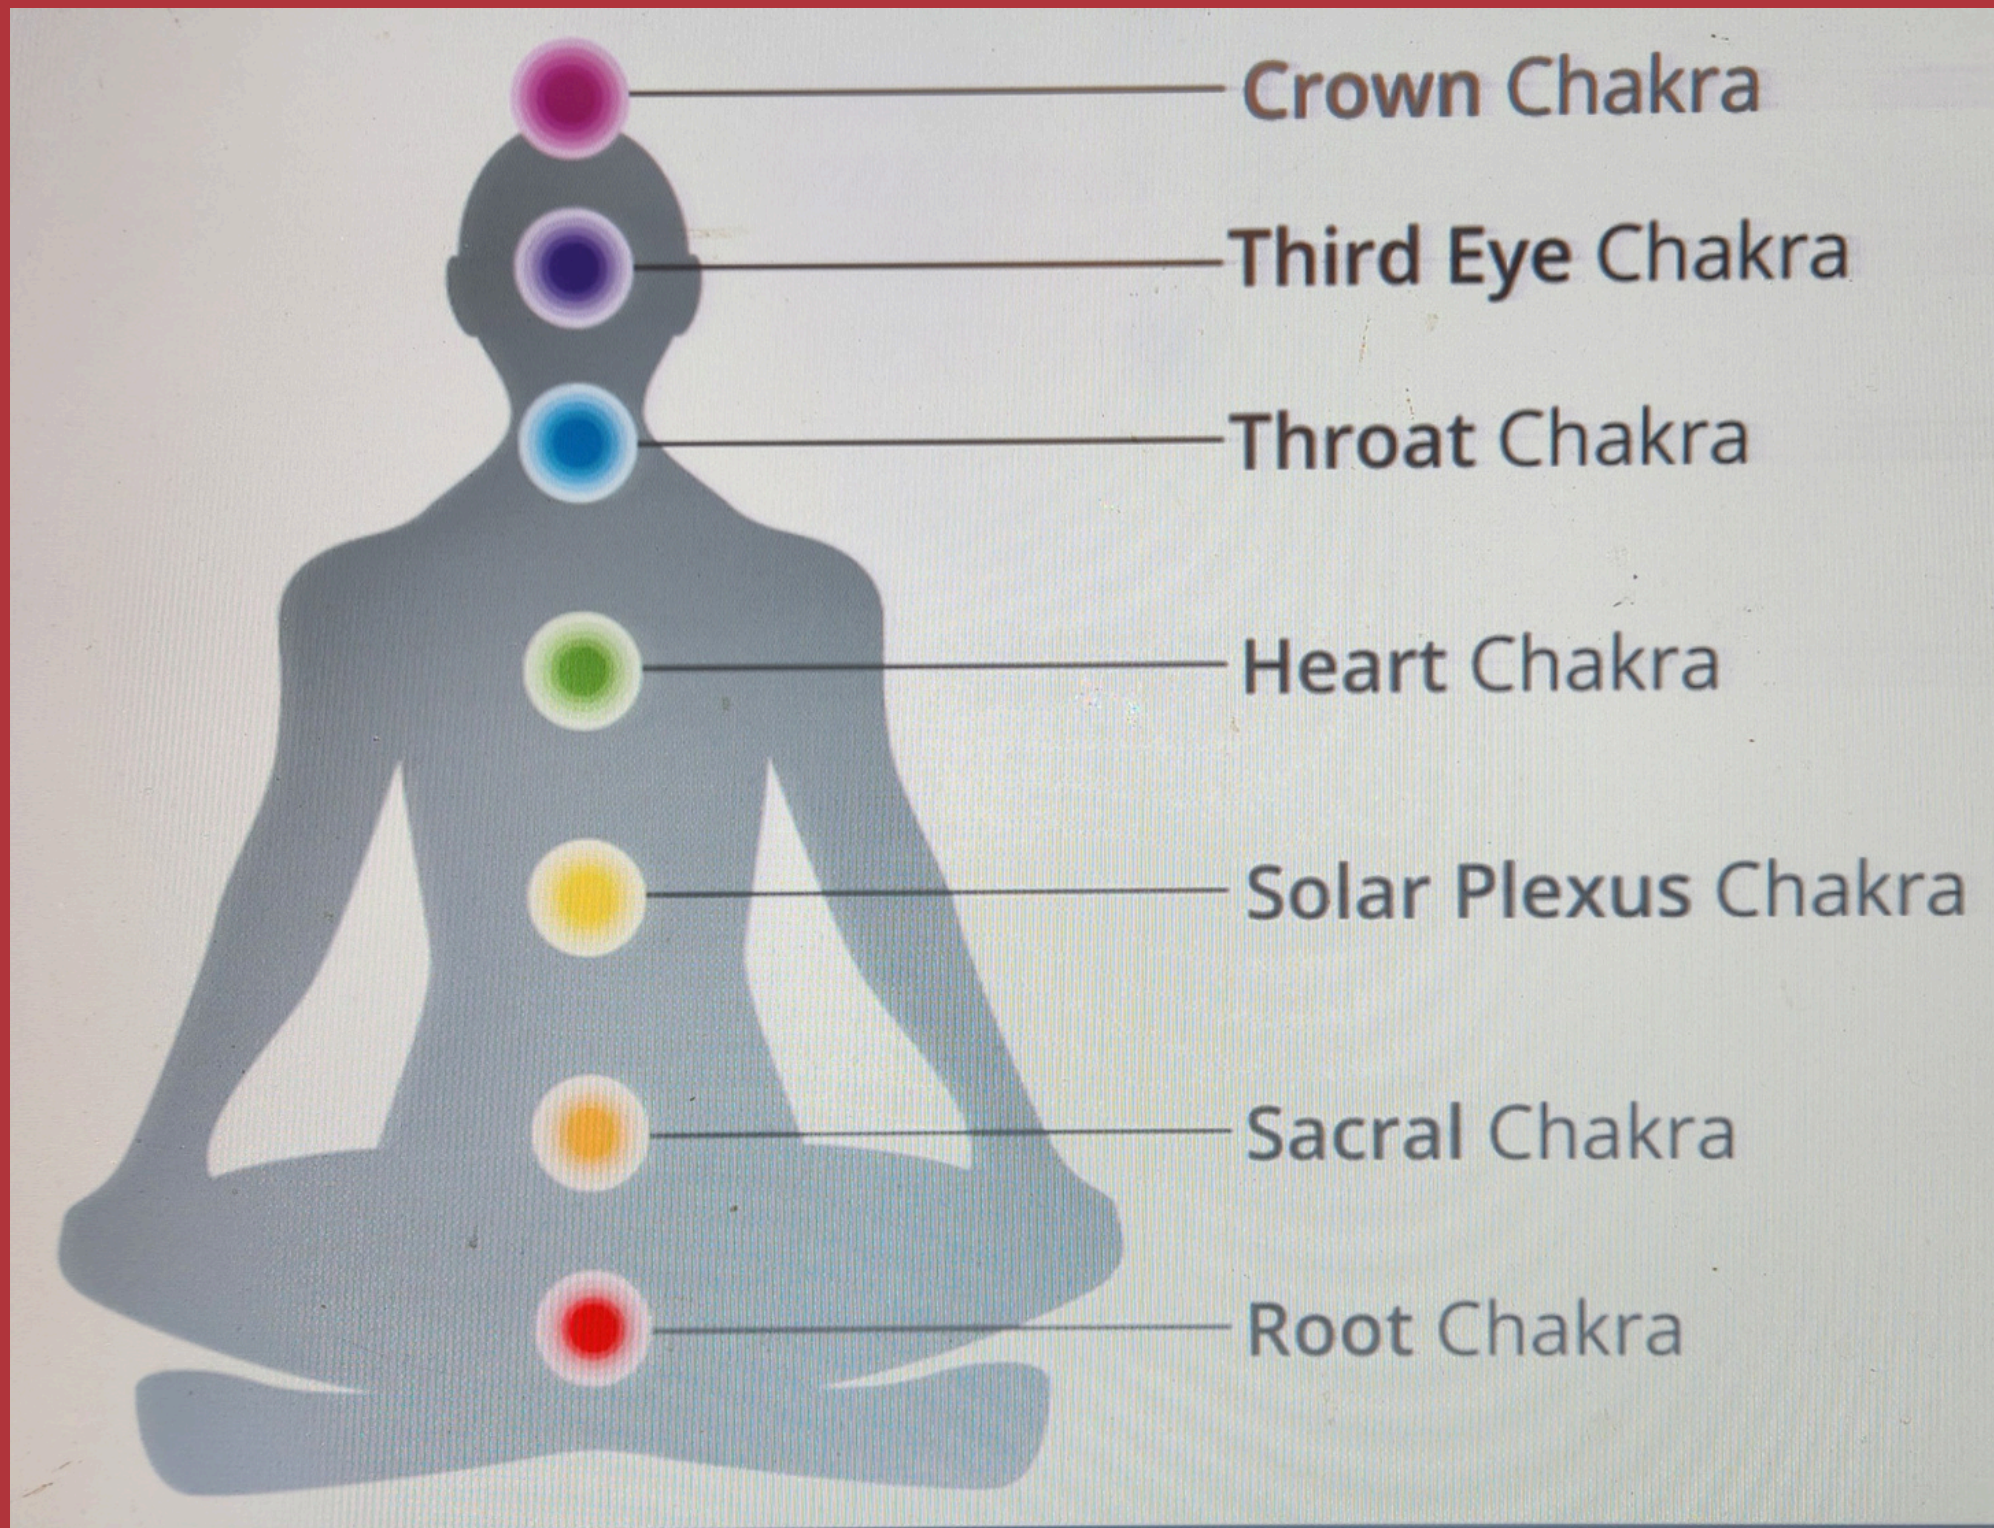

All the movies they make and replace our grandparents with white men and women taking all inventions and idea's making them their ideas, buildings religion etc. etc.

Let our children write with a higher level and passion about this power point so our ancestors can read them and be proud !!!
